Dear Sir or Madam,

8303 '99 JUL 27 A10:30

I am writing to express my extreme displeasure at the proposal to limit the practice and distribution of compounded drugs, as well as the right of pharmacists to suggest compounded drugs. I use compounded drugs and I feel that I have benefited greatly. I have already written to my congressmen. I hope you will take action immediately to stop the persecution of compounding pharmacies / pharmacists. You must keep the welfare of the public foremost, not the profits of the pharmaceutical companies.

Sincerely,

Deborah Athanasiou
