Agenda: The purpose of the meeting is to discuss science-based approaches to assessing whether new proteins in bioengineered foods are likely to cause allergic reactions in some individuals in order to assist FDA in developing a draft guidance for industry.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person by July 30, 2002. Oral presentations from the public will be scheduled between approximately 10:15 a.m. and 11:30 a.m. on August 14, 2002. Time allotted for each presentation may be limited. Those desiring to make formal oral presentations should notify the contact person before July 30, 2002, and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation.

Persons attending FDA's advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Margaret E. Cole at least 7 days in advance of the meeting.

Notice of this meeting is given under the Federal Advisory Committee Act

(5 U.S.C. app. 2).

Dated: July 18, 2002
