IRRADIATION COMMENT FORM

attention FDA: keep irradiation labeling!

Re: Docket # 98N 1038, "Irradiation in the Production, Processing, and Handling of Food"

TREATED WITH IRRADIATION

3846 '99 JUL 20 A9:39

Always display the radura along with the words "treated with irradiation" Do not use terms such as "cold pasteurization." These are misleading and should never be used!
