RE: Docket No. 98N-1038
Irradiation in the Production, Processing & Handling of Food

Dear Dr. Henney,

As a citizen concerned about the food I eat, I feel I have a right to know if my food has been irradiated. Irradiated food should be clearly labeled with a statement that it was treated with radiation and it should have the international symbol for irradiated food placed in a prominent place on the label.

Thank you.

Sincerely,
JoAnn Locke
