House&Garden 1-5-99

I WANT THE ALTERNATIVE MEDICINE/NATURAL SUPPLEMENT INDUSTRY TO BE AN INTEGRAL PART OF ANY TESTING PROCESS OR LABELING DECISIONS AND NOT JUST A VOICE TO BE HEARD AT PRELIMINARY PUBLIC MEETINGS AND IGNORED THEREAFTER. I ALSO WANT GENETICALLY ALTERED FOODS SO LABELED. I AM OPPOSED TO INTER-GENETIC MANIPULATION OF ANIMAL WITH PLANT SPECIES BUT HAVE NO DOUBT IT WILL CONTINUE.
