U

7-23-99

Dear FDA,

I am requesting that the M.C.C. be amended by July 29, 1999. As a consumer I want a choice as to using natural ingredients, not synthetics. The compounding pharmacy I use is out of state & sends me the product by mail. This must continue for my health & happiness.

RE DOCKET # 98N-1265

Thank you for your help in this matter

Sincerely,

Melodie Pleasant
