Dear FDA

7/30/99

I am writing in the hopes that forced molting of hens will be banned (Docket #s 98N-1230, 96P-0418, 97P-0197. Forced molting has been scientifically shown to to promote disease by destroying the starving hens immune systems. FDA has jurisdiction to ban farm practices that injure human health.

Thank you.

Rita Hopf Fiygai
