I am enclosing this petition coupon from the ASPCA to make my feelings known regarding the treatment of hens used in egg production.

In the past few years, I have put my money where my mouth is as an informed consumer. I've almost cut red meat out of my diet, stopped eating tuna, only eat farm raised shrimp and now it looks like "factory farm" eggs will be coming off of my grocery list also.

Maybe others will do the same as I do and take their money out of these businesses which are so cruel to so many animals.

Sincerely
