JANE HENNEY
COMMISSIONER OF THE FOOD AND DRUG ADMIN.

DEAR MS. HENNEY:

I WROTE TO YOU ABOUT MY GROWING CONCERN OVER THE USE OF NON-MEDICAL ANTIBIOTICS IN LIVESTOCK FEED.

EUROPE HAS ALREADY BANNED THEIR USE YET WE (USA) CONTINUE TO LANGUISH OVER A DECISION WHEN THE EVIDENCE FOR DISCONTINUING ANTIBIOTIC USE IS OVERWHELMING.

MADAM, LAST TIME I CHECKED, THE FDA WAS SUPPOSE TO PROTECT THE PEOPLE NOT BIG BUSINESS.

PLEASE MOVE FORWARD ON BANNING NON-MEDICAL ANTIBIOTIC USE. I DON'T MIND PAYING A LITTLE MORE PER POUND FOR IT. THANK YOU FOR YOUR TIME.
