Dear Commissioner Henney,

I prefer to buy dairy products from cows not treated with rBGH. I prefer this because I am aware that rBGH is harmful to both myself and the cows injected with the growth hormone. Without a nationally accepted policy on rBGH labeling it is impossible for me to make an informed and concious choice.

7154 98 AUG 24 P12:30

I urge you to adopt definitive national guidelines regarding rBGH labeling!

Thank You,

Freeman White
