Dear Dockets MGMT
Branch (HFA-35):

AUG 10 P2:09

Regarding DOCKET #'s 98-N, 96P-0418, & 97P-0197, I have the following to say —

I depend heavily upon supermarket chicken eggs for main-

tenance of my physical, emotional, and financial stability

With the constraints of time, energy level, income, and IRBS, microwaved poached eggs form the kingpin of a great breakfast, and egg-

tofu salad a great lunch, and tuna-egg-cheese salad, a great lunch as well.

IRBS is irritable bowel syndrome, and bi-polar disorder another diagnosis. The latter diagnosis has me on SS + SSI currently.

I'd like to make some progress, get myself together, and contribute more. I'd like to ask for your help:

Please be ethically responsible in protecting the health (prevention of infectious disease)

in hens, eggs, and consumers of eggs in the chain of cruelty that begins with uncompassionate forced molting, a revolting practice in its first cause and all its end results. Thank you.
