Re: 98N-1230 — 96P-0418 —
97P-0197.

Gentlemen:

How can you claim to "protect" the public when you allow hens to be forced to molt, destroying their immune system which allows infectious diseases to damage the eggs we eat???

Is there any way to protect us other than slap a label on a carton?

96P-0418

C150

I hope you can / will do
all you can to correct these
problems in the "egg" business.

Sincerely

Jane Harnett
