Dear Friend, RE: Docket NO. 98N-1265

I disaprove of the MOU as currently drafted. the MOU needs to be amended as well as the Compounding Section 503A of the Modernization Act. They severely restrict the rights of physicians + patients to obtain healthcare products from the provider of choice and infringe on the rights of compounding pharmacists to ~~serve~~ serve the public's medical needs.

Sincerely
Mrs John L. Berges
