8/8/99

To the F.D.A.

5353 '99 AUG 12 A10:39

You should prohibit the practice of forced molting because forced molting has been shown to promote diseases by destroying the starving hens immune systems. You have the jurisdiction to ban farm practices, such as forced molting, that injure human health. The F.D.A. was petitioned in April 1998 to ban forced molting. This petition should be granted without further delay.

Thank You,
