For every reason, the practice of forced molting of hens must be prohibited. It is hard to believe such practice is carried on by commercial egg production and has not been stopped by the FDA — which has the jurisdiction and moral responsibility to carry out a ban NOW. I refer to docket numbers: 98N-1230, 96P-0418, 97P-0197. (Sincerely, N.J. Billings)

UnitedPoultry Concerns promotes the compassionate and respectful treatment of domestic fowl.
