Dear Ms. or Sir:

I write regarding the egg, poultry, moulting situation.

Could you please:

(1) ban forced molting — It starves hens, destroys their immune systems + promotes disease.

96P-0418

C 244

(2) ban cruel practices which harm living farm creatures who harm no one until made ill by humans.

(3) grant the 4/98 petition to ban forced molting.

G-d be with you in your humaneness. Thank you.

Very truly yours,
Betsy Lampl
