Dear Sir,

I would like to tell the US. Food + Drug Administration I support the petition to ban the forced moulting of layer hens (docket 98P-0203/CP). I have heard here in our own country about the barbaric treatment meted out with the approval of the US Drug + Food Administration to layer hens and I feel it is torture for them. I ask you to have pity for them.

I remain,
Yours sincerely.

Muriel Wall
