Jane Henney, M.D. Commissioner
Food & Drug Administration
5600 Fishers Lane, Rm. 1471
Rockville, MD 20857

Dear Commissioner,

We are in favor of promptly approving claims filed for saw palmetto and the symptoms of benign prostatic hyperplasia: psyllium husk seeds and the risk of heart disease; follic acid, vitamin B6 and vitamin B12 and cardiovascular disease; and vitamin E and the risk of cardiovascular disease. Please help us on this as its importance can affect many people. Thank you.

Sincerely yours,
Richard Treu
Joyce B. Treu
