I'm writing to state that I'm against Xenotransplantation I don't believe primates or pigs should be used. I believe you should support human organ donations I don't believe the public realizes how they can help. You need to use your money or my tax dollars to advertise to the public how they can sign up to be an organ donor and stress that they'll be saving a friend or relative's life. Thank you.

Sincerely,
Stacey Marion
