I FAVOR APPROVING CLAIMS FOR SAW-PALMETTO, PYGEUM FOR PROSTATIC HYPERPLASIA. A YEAR AFTER SURGERY MY UROLOGIST RECOMENDED MORE SURGERY FOR RELIEF OF SYMPTOMS. USING A NUMBER OF HERBS BROUGHT GREAT RELIEF WITHOUT FURTHER SURGERY. I APPROVE OF CLAIMS FOR MANY VITAMINS FOR CARDIOVASCULAR CONDITIONS. TO DENY THE PUBLIC KNOWLEDGE OF ALTERNATIVE METHODS AS THE FDA HAS DONE FOR COUNTLESS YEARS, TO PROTECT THE PHARMACEUTICAL INDUSTRY A INDUSTRY WITH THE HIGHEST PROFITS IN THE WORLD THAT FUNNELS MILLIONS TO LOBBY THE POLITICOS HAS COST COUNTLESS LIVES. WE PAY TWICE AS MUCH AS EUROPEANS AND 4 TIMES AS MUCH AS JAPAN FOR THE SAME PRODUCT. AND THE FDA RAIDS HEALTH FOOD STORES TO REMOVE PRODUCTS SO IT CAN GENUFLECT TO THE PHARMACEUTICAL INDUSTRY. LET THE PEOPLE DECIDE WHAT THEY NEED. C8 IF I BUY A BOTTLE OF VITAMINS TO GROW HAIR AND IT FAILS TO GIVE RESULTS. YOU KNOW
