Attention: Jane Henney, M.D., Commissioner

I am Yvonne A. Hilden, at 411 4th St. N, Milan, Mn. 56262, Phone # 320-734-4114. I have M.C.S. (Multiple Chemical Sensitivity). It is very life dependant that both the main stream medical field and the alternative medical field work together. Therefore the following issue is important.

I am in favor of the FDA promptly approving claims filed for Saw palmetto and the symptoms of benign prostatic hyperplasia; psyllium husk seeds and the risk of heart disease; folic acid, vitamin B6 and vitamin B12 and cardiovascular disease; and vitamin C and the risk of cardiovascular disease.

I trust you will make the proper steps to do so.

Sincerely,

99P-3029
