Sirs: the Continued use + Slaughter of Downed Animals is abominable. It is against any Logic + Ethic ever utilized. It defies common sense, humane treatment, Health and is inexcusable Behavior causing unnessessary suffering to Animals that are still used for food. The Health Risks are numerable. Because you do not consider this issue important, there are millions of people who do and are sensitive to this cruelty and their Health + Lives. Since it is you that Heads this area of concern, I ask that you Put a STOP to this madness. I am urging you to Act on docket # 98P-0151/CP1 and Stop the Slaughter of Downed animals for the Human food Supply Now!

Thank You,
