Honorable Michael Friedman
Commissioner

Dockets Management Branch
Room 1-23

Mr. Friedman:

Please add my name to support Farm Sanctuary's petition, Docket number 98P-0151/CP1. Downed / Non-ambulatory livestock should not be considered fit for consumption, and should have the right to humane euthanasia. I realize the FDA has great legal authority in these issues and hope action will be taken to provide legislation for these animals. Please inform me of other ways, if any, I can be of aid in this legal process.

Thank You,

Christopher W. Glass
