To whom it may concern: 7202 '99 AUG 24 A10:19 Aug 20th, '99

I recently came across information that told of the cruel and inhumane way that molting takes place in hens. In 1999 it is a far cry from civilization to force hens into a darkened room, deprive them of food and water in hopes of one last batch of eggs before slaughter. I urge you to stop this cruel and unnecessary means of egg production which overtly leans to salmonella in eggs.

Please stop this!
