Please, please, please! Re docket numbers
98N-1230; 96P-0418; 97P-0197

The FDA must do more than put warnings on egg cartons & regulate egg temperatures.

Forced molting must be outlawed! It is inhuman & destroys hen's immune systems

Please make it an offense to practice forced molting. This is cruel but it also injures human beings

The forced molting has been proven to be the primary cause of diseases in eggs, hens and those who eat eggs.

Please ban this without delay!

Thank you
