Sept. 2, 1999

Jane Henney, Commissioner
Food and Drug Administration
Room 1061
5630 Fisher's Lane
Rockville, Md. 20852

Dear Jane Henney, Commissioner,

Please disallow antibiotics used in human medicine to be also used in livestock feed.

Extensive use of these antibiotics diminishes their ability to cure infections in humans because infectious agents have become resistant to the antibiotics.

Yours truly,

Leah Wolin
