August 24, 1999

Dear Sir or Madam,

I am writing with regard to Docket numbers 98N-1230, 96P-0418, 97P-0197.

08 25 '99 SEP -3 AM 1:15

I am writing to encourage the FDA to ban forced molting of hens as per the petition of April, 1998. Forced molting has been scientifically shown to promote disease by destroying the starving hens' immune systems. Forced molting is a primary cause of infectious diseases in hens, eggs, and consumers of eggs. The weakened immune systems of the birds predispose them and their eggs to salmonella poison.

Yours truly,
(Mrs.) Eileen Adamec
