Jane Henney, M.D.
Commissioner
Food + Drug Administration
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Dr. Henney:

I am writing to let you know that I am in favor of the FDA promptly approving claims filed for saw palmetto and the symptoms of benign prostatic hyperplasia; psyllium husk seeds and the risk of heart disease; folic acid, Vitamin B6 + Vitamin B12 and Cardiovascular disease; and Vitamin E and the risk of cardiovascular disease. With Health Care Costs escalating, everyone needs to be cognigant of alternative medicine. Thank You. Mrs. H. Nelson
