Dear Jane Henney, M.D.
Commissioner
Food + Drug Adm.
5600 Fishers Lane, Rm. 1471
Rockville, MD 20857

I am really in favor of the FDA promptly approving claims filed for saw palmetto + the symptoms of benign prostatic hyperplesia; psyllium husk seeds + the risk of heart disease; folic acid, vitamin B6 + Vitamin B12 + cardiovascular disease.

Thank you so much.

Fayrene R. Zink
