Dear Jane Henney, M.D.

I am in favor of the FDA promptly approving claims filed for saw palmetto and the symptoms of benign prostatic hyperplasia; psyllium husk seeds and the risk of heart disease; folic acid, vitamin B6 & vitamin B12 and cardiovascular disease, and vitamin E and the risk of cardiovascular disease.

Thank you for considering my opinions on these matters.

Yours truly Susan W Harney

99P-3029 C126
