Dr. Henney,

5653 '99 AUG 17 '99 SEP -9 A10:31

I & all I know are in great favor of the FDA approving all Claims filed for SAW PALMETTO & the symptoms of benign prostatic hyperplasia; psyllium husk seeds & the risk of heart disease; folic acid, B6 & B12 & Cardiovascular disease; & Vit E re: risk of Cardio disease.

Please care about human life!

Best regards,
Joanie Laine
