Dear Commissioner Henney,

I am in favor of the FDA promptly approving claims filed for Saw Palmetto and the symptoms of (BPH - benign prostatic hyperplasia); and also for psyllium husk seeds and the risk of heart disease. I am also in favor of FDA approving claims filed for folic acid, Vit. B6 and Vitamin 12 and the symptoms of cardio-vascular disease; and Vit. E and the risk of cardiovascular disease.

Thanking you for your Service and your consideration of this issue.

Sincerely yours,

Dianne Kerlin, R.N.
