August 24, 1999

Dear Sir or Madam,

I am writing with regard to
Docket numbers 98N-1230, 96P-0418,
97P-0197.

'99 SEP -3 A11:15

I am writing to encourage the
FDA to ban forced molting of hens
as per the petition of April, 1998.
Forced molting has been scientifically
shown to promote disease by destroying
the starving hens' immune systems.
Forced molting is a primary cause
of infectious diseases in hens, eggs,
and consumers of eggs. The weakened
immune systems of the birds predispose
them and their eggs to salmonella
poison.

Yours truly,
(Ms.) Eileen Adamec
