Docket #s 98N-1230, 96P-0418, & 97P-0197

Bacteria warning labels 98 SEP -3 AM 10:07 and regulating refrigeration levels is not enough, the F.D.A. must do more.

Because forced molting has been scientifically shown to promote disease, the F.D.A. will prohibit the practice of forced molting.

The F.D.A. has jurisdiction to ban farm practices such as forced molting, that injure human health.

Over

96P-0418

C434

Forced molting is a primary cause of infectious diseases in hens, eggs, and consumers of eggs. Cruelty and Contamination are linked! The F.D.A. will stop this.

In april of 1998 the FDA was petitioned to ban forced molting. This petition should be granted without further delay.

Signed,

Mike Stetson
