Sept 15, 99

353 Keswick Ave
Glenside, PA 19038

Dear Commissioner Henney,

I am writing to request that ALL Irradiated Foods have a Prominent Disclosure in easy-to-read type on the front of the package that identifies they are Irradiated in Supermarkets AND Restaurants!

Irradiation cannot prevent sloppy food handling at plants, restaurants, or homes! And has not been proven safe for consumers!

Please put clear, easy-to-read labeling on ALL Irradiated Foods! Thank you!

Sincerely,

Patricia Conklin
