Dear Commissioner:

1) I simply won't buy food that's irradiated -- but you've got to let me know that it's been treated for me to exercise that choice.

98 7 3 99 OCT 26 P1:35

2) Ever read Cat's Cradle? Do you know what Ice Nine is? Grafting plastic into vegetables is insane & unnecessary never mind potentially destructive of our food supply. Don Peabody
