6/17/99

ELIZABETH RAINTREE • f 717 SW PARK AVENUE, APT. 208 . PORTLAND, OR 97201

Dear Dr. Hamm:

Please make sure all GE foods are so labelled! Tests should also accept registration for all genetically engineered organisms in international commerce.

As a consumer, I want the right to choose food that has not been genetically engineered.

Sincerely,

Elizabeth Raintree, Ph.D.
