ISA-305
Food and Drug Administration
5630 Fishers Lane, Room 1061
Rockville, MD

To Whom it May Concern:

I am writing in **support** as a professional in Dietetics and as a consumer for the proposed rule to require food manufacturers to list the amount of trans fatty acids in the Nutrition Facts panel. The addition would likely raise consumer awareness regarding trans fatty acids and help them to improve their own health. As professionals in Dietetics it will allow us more opportunity to educate the public.

Sincerely,

Stacey Rogers RD LD
