I am writing in regards to the petition (docket #98P-0203/CP) that the United Poultry Concerns has submitted, for a ban of forced molting. Talk about cruel & inhumane treatment! I am shocked and enraged that any living creature should be forced to "live" such a horrid life.

Don't you people at FDA have any compassion at all! Even that monster Jeffrey Dalmer received better treatment!

Why don't you people wake up and put an end to the intense suffering those poor creatures endure?

Ban Forced Molting!

Sincerely
Joan Wingard
