Donna Shalala, Secretary
U. S. Dept. of Health and Human Services
200 Independence Avenue, S. W.
Washington, D.C. 20201

Dear Secretary Shalala:

I am very troubled to learn that the FDA is considering weakening the labeling requirements for irradiated food.

I strongly urge that all irradiated packaged food be conspicuously labeled as such, and that irradiated unpackaged food be prominently identified as such by a nearby sign or poster in the store. We consumers have a right to know what we are buying.

Sincerely,

Clifford Browder
