Donna Shalala, Secretary
U.S. Dept of Health + Human Services
200 Independence Ave. S.W.
Washington, D.C. 20201

98 DEC 23 P1:01

Dear Secretary Shalala:

I am writing because of my concern about Irradiated food. I want the option of whether I will expose my family to the experiment of chemically treated food. There has not been enough time to test what irradiation will do to humans.

It is essential that irradiated food be prominently labeled + that they be truthful + not misleading.

Please defend the consumer's right to know.

Sincerely - Elizabeth Gerstley
