Dear Secretary

I Wish and Hope the Food and Drug Administration will defend my right and my Children to let us Know When our food is - has been - treated with Radiation I do believe labels should be required by Law, should be honest and truthful, and Clear to every one and any age. Labels should be placed on every Package in Plain view to me and others as well. Ms Seretary; I hope you will defend me and every Consumer and please let us Know what we are feeding our Children.

Thank you
Sincerely
Najiha Bashim

Have a Wonderful New Century - 2000, and a Very Very Merry Christmas.
