Docket # 98P-0151/CP1

To whom it may Concern: 11-6-00

I am writing to you today to
Stop the slaughter of downed animals.
The unthinkable treatment that I've
heard of and read about is unreal
where do they find such cold hearted
people to carry out these torturous acts?
I am speaking out for the animals who
have no voice the sick + weak animals
should have a quick + swift end.
as should all animals awaiting slaughter.
I want you to know I am not a
vegetarian, but I think their has
to be a better way to treat these
animals.

Thank you for your time
