Re: Docket Number 98P-0151/CP1

I request that you grant Farm Sanctuary's petition to prohibit the slaughter of downed animals. #98P-0151/CP1

This mis-use of animals not only causes them grave suffering; but is also a risk to human health.

Prolonged cruel suffering as these animals sometimes must under-go is inhumane. They should instead be given the care needed by a veterinary.

Where is our kinder-gentler nation? We are going backwards. Closing with a quote from Mohandas Gandhi:

"The greatness of a nation and its moral progress can be judged by the way its animals are treated."

Sincerely, C 2954
