To Whom it May Concern.

We are writing to urge you to stop the practice of marketing and slaughtering downed animals. The suffering that these animals endure is beyond belief. Besides intolerable animal suffering, these practices pose a very real risk to human health.

Please grant the petition from Farm Sanctuary -- Docket number 98P-0151/CP1. to prohibit the slaughter of downed animals.

Thank you for your attention to this serious matter. Sincerely,

Norman & Margaret Huebe
