Branch (HFA-305)
5630 Fishers Lane, Room 1061
Rockville MD 20852

Dear Commissioner Henney,

I am very concerned about the manipulation of the genetic material of our food. I fear repercussions on both the environment and consumer health.

Please represent the concerns of the American consumer by working towards strict regulations for the manufacture of GMOs and by studying the environmental impacts of their use.

At the least, all foods with genitically modified foods should be labeled. I deserve to know if I am purchasing foods with GMOs.

Sincerely,

Christa Montague

00P-1211
