I'm writing to you to urge you that you grant Farm Sanctuary petition to prohibit the slaughter of downed animals - docket number 98P-0151/CP1.

All animals should be treated humanely and that includes animals that are to be slaughtered. Some are too sick or injured to even stand up. Industry experts have estimated that 90% of downed animals can be prevented with better care & handling. Prohibiting their marketing will cause no undue economic hardship.

Please do the humane action and end this unnecessary suffering.

Thank you for your consideration.

Sincerely
Norbert Ehr
