I am writing in regards to the Farm Sanctuary's petition to prohibit the slaughter of downed animals. The docket number is:
98 P-0151/CP1.

3367 00 NOV -7 AM 7:47

This is the most cruel & inhumane & unfeeling act we humans can perform. It is stressful enough for the poor animal traveling to the slaughterhouse! But to add to the horror of the poor animals is beyond belief! To see our government not wanting to stop this is disgusting! The USDA has a job — to protect the public — but also to see that the animals are cared for — and to be executed humanely. I beg for your compassion for all God's creatures in this horrible act of "downed animals" for slaughter. Please grant this petition to ban this slaughter of downed animals.

Sincerely
