To Whom It Concerns

I am absolutely appalled at the treatment of animals in this country, especially in laboratories, factory farms and at/or on the way to slaughterhouses.

Where is compassion? How can such cruelty be condoned by the U.S. Food + Drug Administration? I want the barbaric treatment to stop on all levels.
However, at this moment it is imperative that Farm Sanctuary's petition to prohibit the slaughter of downed animals - Docket # 98P-0151/CP1 be passed. Thank You,

Janet Schmucley
