Dear Sir:

Please end the downed animals trade. Please grant our petition to prohibit the slaughter of downed animals, The docket number is: 98 P-0151/CP1.

If animals are too sick or injured they should not enter the food chain. Some animals may have "mad cow disease." If they (the animals) are pushed or dragged it is so inhumane, it is unthinkable. It is known that 90% of downed animals can be prevented with better care + handling. Please help to end this.

Sincerely,
Connie + Carl
